- NotaSan 4X drops
- AsperSan 4X drops
- Natural supplements such as Quinton minerals, probiotics, natural vitamin C
- Clean diet
- Constitutional homeopathy

DOMINANT FOCI ARE SMOLDERING

A **dominant focus** is an area of **chronic** inflammation in the body that frequently goes **undiagnosed** because it typically causes no obvious localized symptoms.

But it frequently causes pain and dysfunction in other seemingly unrelated areas—often **quite distal** to the focal site.
